We would be glad to receive the roll of members in every Democratic Club in Anderson County, for the purpose of publishing them in the ANDERSON INTELLI-GENCER. We propose to begin this publication in March, and hope that every Club will send us a copy of its roll by its delegales to the County Convention. This publication will contain the name of every Democrat in Anderson County, and will be a roll of honor which will probably be printed in pamphlet form and distributed over the whole County. Every Democrat, white or colored, should at once see that his name is entered on the list of some Democratic Club, in order that he may be distinguished from the Radicais, who are still seeking to ruin our country.

A sudden death occurred in Town on last Monday. Mary McAlister, an aged colored woman, while walking the street with a child in her arms, fell flead. It is supposed her sudden death resulted from a disease of the heart. Mary was an old resident of the the town, and was respected by all who

The Democrats of Anderson County have risen superior to all personal considerations, and the patriotic fires of 1876 are reanimating every club. All our people realize the force of old Kentucky's motto, "United we stand, divided we fall," and the result will be a solid Democracy, a grand canvass and a magnificent victory this fall.

A reorganization of the Rock Mills Democratic Club was effected on last Saturday. Mr. George W. Miller was elected President, and Mr. James McLees Vice President. Hon. Alex. H. Stephens, Ex-Gov. Smith and Ex-Gov. Brown, of Ga., endorse a med-icine for the throat and lungs, and when they do it is pretty good evidence that the remedy must be good for the cure of coughs, colds and lung affections. They recommend the Globe Flower Cough Syrup, and their testimonials are to be seen round the ten cent sample bottles of the Globe Flower Syrup, for sale by SIMPSON, REID & CO. A sample bottle relieves the worst cough, and will cure sore throat. Regular size bottles, fifty doses; \$1.
